Kristen Ballweg

Organizational Leadership Club Board

My goal is to help OLC members reach new heights in leadership development.

As an OLC board member, I will develop activities to educate and foster growth. My goal will be to provide opportunities for club members to develop and enhance their leadership skills through education and discussion.

Initiatives

- Continue successful initiatives, including speaker series and book series.
- Partner with Accelerate Leadership to provide hands on leadership training.
- Create opportunities for discussion about leadership traits, experience and opportunities for improvement.
- Organize an event, in concert with TWIB, to facilitate a discussion on the challenges women face in leadership.

Experience

- Seven years professional experience in legislative and regulatory relations, with skills in negotiation, influencing, communication, and problem solving. Elected by professional associates to Asst. Chair, Chemical Sector Coordinating Council.
- Prior club leadership experience with Wisconsin Union Directorate, Hooper Ski & Snowboard Club, and Wisconsin State 4-H.

Preference: VP of Internal Development, President

Ryan Sutton

For Organizational Leadership Club Board

Education:

- ❖ B.S. Johns Hopkins University (Civil Engineer)
- ❖ M.S. Johns Hopkins University (Civil Engineering)
- ❖ Team Leader of Senior Design Class, 16 students

Experienced Leader

- ❖ 8 years as a Structural Engineer and Project Manager/Project Lead
- ❖ 6 years with National Alumni Schools Committee at Johns Hopkins
- ❖ 4 years on Board of Directors for the Structural Engineers Association of Rhode Island

OLC Club Goals and Initiatives

- ❖ Continue efforts of current OLC board
- ❖ Enhance promotion of club benefits through Base Camp and Accelerate
- ❖ Partner with Accelerate to provide additional resources for leadership improvement
- ❖ Start a Summer Reading series for incoming students
- ❖ Increase club enrollment. This club has the potential to have every student enrolled and participate.
- ❖ Create mentor system to help current students connect with Alumni based on career preferences.

Position Preferences:

- ❖ First: VP of Education
- ❖ Second: VP of Membership
- ❖ Third: President

Tim Altman: Leadership Starts Now

A passion for leadership development in the Organizational Leadership Club

Primary: President
Secondary: VP of Mentorship,
VP of Internal Development

Demonstrated leadership and success in career

- Industry track record of promotions every two years
- Trained and mentored dozens of engineers and editors who have gone on to successful careers
- Strong reputation with clients in the highly competitive entertainment and advertising industry in New York City: He made it there and can make it anywhere

Demonstrated leadership at Tepper

- Successfully captained 5-man boat through class 3 rapids on the Lower Youghiogeny River during Basecamp
- Organized and motivated 1st year students to compete in Yale Cup Soccer Tournament despite the conflict with midterms in Mini 1
- Inspired 6 person team to compete in the Net Impact Walmart Business Plan case competition
- Winner, OLC, Deloitte and ATK Case Competitions
- Regional Finalist, GE Case Competition

- #### Goals for the coming year
- Continue to reach out to successful alumni leaders like Jeff Nagel to come to campus and mentor and inspire leaders in the Tepper community
 - Promote leadership and team-building in partnership with the endurance club to create outdoor, cooperative and competitive events like white-water rafting, Tepper Olympics, and camping
 - Work closely with the Accelerate Leadership Center to develop leaders in the student body
